Many professional photographers will submit your portrait for you. Please keep tabs on making sure that they send it in prior to the deadline to ensure that you will be featured in the yearbook. If you have any difficulties getting your photos taken, please see Mrs. Barbis or Mrs. Tagliaferri well in advance of the deadline.

DEADLINE: Friday, October 10, 2008

Pictures submitted after this date will not be featured in the yearbook. Sorry, there are no exceptions!

Thank you for all your continued support. We look forward to celebrating your senior year with you!
