

August 28, 2020

Dear Middle School Parent/Guardian:

Enclosed is your student's schedule for the first marking period of the 2020-2021 school year.

SCHEDULE NOTES: The schedule is also available on SchoolTool and your student will receive a copy on the first day of school. A couple of things to notice: HB stands for home base. Initially, we are going to use this time to allow students to re-engage with each other and to support any social or emotional concerns they may have. Once we have had time to evaluate academic levels, and social emotional needs, we will decide how to best use this time. Band and chorus will be added to schedules later in the quarter.

LOCKER INFO: No locker assignments appear on your schedules—socially distant lockers are a work in progress. Information will be available on SchoolTool once assignments are completed. Note to 8th graders—your lockers will be located on the first floor this year, split among the HS Art, Library, and Spanish hallways.

CHROMEBOOK PICKUP: As announced on the attached flyer, we will be having a district-wide Grab-n-Go pick-up of chromebooks and other important materials on Tuesday, September 8, from 4:30-6:00 pm. The middle school's assigned pick-up spot is in the elementary bus loop on Pennington Drive. Pull in and look for the sign with your grade level.

IMPORTANT NOTE FOR 6th GRADERS: A virtual 6th grade orientation will be held on Wednesday, September 9. Monday-Thursday families will zoom at 6 pm; Tuesday-Friday families will zoom at 7 pm. (Feel free to attend the opposite one if it's more convenient.)

DAILY HEALTH CHECK APP: In the next several days, you'll be hearing from the Superintendent's office about Frontline, the app you will be required to use to verify your student's daily health info before they enter the school building. Stay tuned for more details!

As always, please don't hesitate to reach out (pestabrooks@cal-mum.org, 538-3482) if you have any questions.

Respectfully,

A handwritten signature in black ink that reads "Paul Estabrooks". The signature is written in a cursive style with a large, looped initial "P".

Paul Estabrooks
Middle School Principal
CSE Chairperson
