

The way parents and the community get their information has evolved and CMCS has responded to the evolution with a new mobile app.

We understand that you want information and notifications delivered directly to your mobile device so download the Caledonia-Mumford Central School District mobile app today. It's free and available for download from the Apple and Google Play app stores.

Once you have downloaded and installed the app, there are just a few quick steps to set your app up. You can also view this video tutorial – [click HERE](#)

1. We recommend you allow push notifications
  2. Settings/Following our schools: We recommend that you choose from the list and select to follow the District, Elementary, Middle and High Schools.
  3. Buttons! Buttons! The first maroon buttons you will see on the landing page of the mobile app are Board of Education Candidates and School Budget Information. Click on them to be directed to information on our website.
  4. News: This feature brings all the top feeds into one location, including our school website headlines, Facebook and Twitter posts.
  5. Schooltool: This links you directly to the Schooltool mobile app where parents of middle and high school students can view their grades, tests, etc.
